

### 13. STANDARDIZED TESTING

- a. <http://www.act.org/> - ACT Website
- b. <http://www.collegeboard.org/> - SAT Website
- c. NCAA Clearinghouse Article

If you are a high school student-athlete who has the goal of playing any college sport at the NCAA Division I or Division II level you must submit your core class high school transcripts and standardized test scores (ACT or SAT) to the NCAA Clearinghouse.

These requirements currently do not apply to Division III colleges, where eligibility for financial aid, practice and competition is governed by institutional, conference and other NCAA regulations.

Here is what the NCAA recommends: "Students should register with the clearinghouse after the completion of their junior year in high school. At this time, a transcript, which includes six semesters of grades, should be sent to the clearinghouse from the high school. Additionally, students should have their SAT or ACT test scores forwarded directly to the clearinghouse whenever they take the exam."

You can send your Clearinghouse forms in early as it will not delay the process. At the end of your junior year you simply ask your high school guidance counselor to forward your updated transcript.

Your final transcript at the end of your senior year will also have to be sent to the NCAA.
