Regional Sizing Kits

The Tigers sizing kits have been designed so that teams will be able to keep and use most of the items in the kit, avoiding shipping extra boxes back and forth.

The deposit required for the sizing kit covers the cost of everything in the kit, if you keep everything, there is no extra cost for those items and no need to ship anything back. The kit will include sizes most commonly worn for players in your age group.

If you return the entire kit to Fischers, the deposit will be refunded, minus $10 handling.

If you return a portion of the kit, the cost of the items you keep will be deducted from the deposit. A $10 handling fee will be charged.

Coaches will need to choose which dri-fit shirt they would like included with their kit: Either the black or orange game jersey or the grey practice jersey. The jerseys in the kit will not have numbers on them. The dri-fit shirts fit the same as the other jersey options and will be used for sizing all of them.

The pants all fit the same through the waist, hips and thighs, the length is the same on the 2 long pant options. The difference is in the fabric. The value pant is a high-quality pant, but not quite as high as the PRO pant option. The PRO option does wash a little better. They look exactly the same on the players. Most coaches let the families decide which option they would prefer, but a coach is welcome to determine the pant for the entire team as well.

The sizing kit will include 3 jerseys and/or 3 pants, all in different sizes.

You will need to let us know what you would like in your kit:

A. Jerseys Only: $65
B. Value Pants Only: $82
C. Pro Pants Only: $136
D. Jerseys and Value Pants: $135
E. Jerseys and Pro Pants: $191

Arrangements for sizing kits should be made through email to Mary Fischer: maryf@fischerssports.com

In the initial email, please let Mary know which kit you would like as well as the following information:

Your Name and Phone Number

Region and Age Group

The jersey color that you would like in your kit: Orange, Black or Grey
