

Rawlings Tigers Regional Uniform Ordering

Regional teams will be able to choose their uniform options from the Rawlings Tigers Sell Sheet. The Sell Sheet has options for 3 different series of uniforms. Teams will select ONE series and all uniform pieces will come from that series.

Once the team has decided on the items that they want for their team, they will order a sizing kit from Fischers Pro-Line Sports. The kit will include the items that are needed to determine sizes for their players. Information about the sizing kits are in a separate document.

Uniforms need to include the following:

- Jersey
- Cap
- Helmet
- Pants
- Tiger Bag

Coaches will coordinate their uniform choices with Mary Fischer. Mary and her team will set up an online store for the team. The store will be open for a 2-week window, those dates will be coordinated with Mary.

Caps will be ordered separately through 12-Six. Those orders will be coordinated through David Birkby.

All items for the team will be shipped together to one address.

Shannon Hoffman is the contact person at the Tigers for any uniform issues or questions.
