WHAT COACHES ARE SAYING ABOUT JP SPORTS

“A couple of main reasons why our Lightning teams use JP Sports as one of their main tournament providers is that the locations are perfect for our team. Secondly we like to sign our teams for USSSA sanctioned tournaments and JP Sports is one of the best tournament providers for those sanctioned events.”

DEREK HART, LAKE COUNTY LIGHTNING

“The Dixon Rebels use JP Sports because they are the most organized tournaments. If you have a question about a tournament, these guys are always there with an answer. The play and umpiring is always fair with JP.”

RUSS BIVENS, DIXON REBELS

“We can’t beat the competition we see at the various venues. The communication and schedules are always done in a timely manner that allow us to communicate with our parents and families. Plus, with tourney machine I am able to share the link and parents can stay informed of weather delays, winners, losers, and updated game times. Lastly, Heath and JP are willing to work with teams. They don’t pull any punches. They are upfront with coaches and are willing to listen to any concerns or ideas that teams might have. Other tournament providers don’t do this. My team and organization have had all great experiences with all the events we have played with JP Sports.”

DARWIN NETTLETON, STERLING SHARKS

“The communication is great. I always know right away if there are any changes for any of my teams. The tourney app is also a great tool for our families to stay up to date with pool game times and brackets as soon as they are set. The discounts we received for multiple tournaments and multiple teams really helps out with our yearly budget. The JP Sports staff always go out of their way to ensure our players and families have the best possible experience at each tournament site we play at.”
