

How To Register For The Rawlings Tigers

During registration, you will need some basic information. Please make sure you know the following before starting the registration process:

Jersey Number

Parent Info

Step 1: Create a new Parent Account, or Sign In

- If you are new to the Tigers, create a new account. If you have already registered with us before, sign in!
- When you create an account, you will FIRST create an account for YOU, the parent/supervisor.
- When creating a new account, you will need to enter your personal information. Don't worry, your information is private and secure. In the secondary email field, only enter one if it is YOUR secondary email.
- Next, click that you want email updates for activities and promotions. This includes all team information, so everyone should check the box, but we have to ask.
- Then, make sure you're not a robot 🤖

Child Info

Step 2: Add a New Child to Your Account, or Choose an Existing One

- You may add multiple children to your account, but each child must be added individually.
- If you already have an account, you will be prompted to log in, or select your child (if you're already logged in).
- Choose Your Child's Registration Type
