<b>10. COOPER SWIFT</b>	<b>21.6</b>

# **LEADER BOARD EXPLAINED**

***Thursday nights we generate a report from the previous seven days. Averages are calculated from the total amount of recorded swings in those seven days. The data is populated through our Blast Motion cloud portal and includes all players who are registered inside the organizations account.***

***[ \*\* ] Noted for players who are on the Swing Leader Board and have made a second leader board.***
