

TIGER MEMBERSHIP REFUND POLICY

If a player decides to leave a team for any reason or a team disbands within 15 days of registration, the Tiger membership fee will be refunded minus a \$50 administrative fee. If the membership fee is refunded, the player will lose access to the benefits of being a Tiger, including all membership functions and resources on our VIP section.

Players will need to notify the coach if they leave within the 15 day window and the coach will submit a form to the Tiger's office to begin the process.

The Tiger membership is non-refundable and non-transferable from 15 days of purchase. The Tigers are not responsible for teams disbanding, folding, player injuries, coaching changes, or any other circumstances pertaining to team or individual issues that pertain to the team and the season.

The above policy is in reference to the annual Tiger membership fees that are paid through our online registration. Any amount paid towards custom uniform items will not be refunded by Fischers. Families can contact Fischer sports regarding returning unworn items that have not been customized with a player number.

Any amount paid to coaches or leagues will or will not be refunded based on the decision of those involved, the Rawlings Tigers Club has no say in those decisions. Families should contact the coaches and leagues directly to discuss refund options.
